Diagram illustrating a sequence of 16 boxes arranged in two rows. The top row contains 8 boxes, and the bottom row contains 8 boxes. The boxes are connected by lines, forming a grid-like structure. The boxes are labeled with numbers 1 through 16.

[illegible]

The diagram illustrates a 2D hexagonal lattice structure. The lattice is composed of small squares arranged in a hexagonal pattern. A central square is labeled '40°' with an arc indicating the angle between two adjacent bonds. The lattice is bounded by a top and bottom row of squares, with a gap in the bottom row on the left side.
